When you are illuminated by a brilliant idea which color appears in your mind?

Her.....

Him.....

If you had to choose a scenario of nature, the background of one of the 4 seasons in which of these would you be immersed in meditation?

autumn winter spring Summer?

Her.....

..

Him.....

..

Design your bar code (vertical colored stripes of preferred thickness) using in succession, according to preference the following colors:

Choose 5 colours among those shown in the chromatic table

The selected colours are: (in letters)

Her.....  
..

Him.....  
...

Now colour... using crayons or felt tips in horizontal succession like a barcode in the space below. The white colour will be identified as the empty space. The extent of the colour in the rectangle will indicate the degree of preference.... You can reduce one of your chosen colours to a simple vertical stripe.

Him .....

Her.....
